Hi Carmen,

Keith and I tried to contact you yesterday to check on the approval for the new location of the WWTS and set up a revised meeting date.

Forecasts are predicting 3+-in of rain this weekend. We need to process stored water this week to prepare for the storm forecast.

Do you have any availability today to discuss? I believe we answered all of your questions. Do you need anything else from us to issue the approval?

Thanks,

Joe

Hi Carmen,

It would be better for us also to find another date for the meeting. Would you please suggest a couple dates before the Holidays that work for you and Steve.

Best regards,

Joe

Hello Joe, Robert, Kevin, and Keith,

Steve Armann will not be able to attend the December 8, 2016 meeting due to business travel. Please confirm if you still want to have this meeting. I am available to meet with you and other LBNL and DOE representatives that may attend the meeting. Your prompt confirmation is greatly appreciated.

Best,

Carmen
